(f) "Jagir" means an assignment of land revenue which is collected and paid to the jagirdar. The jagirdar may subsequently acquire the property and if he does, the grant technically becomes a muafi, though it always continues to be shown as jagir.

4. *Categories of muafis and jagirs.*—The following categories of muafis and jagirs exist in Himachal Pradesh:—

(i) (1) Perpetual, (2) Life time, (3) For a number of generations (4), Till the currency of settlement, (5) Religious grants in favour of Dieties, (6) Jagirs granted by the ex-Rulers to their family members from a common ancestor or to their relatives, (7) Muafis/Jagirs granted to the military personnel for their services in the Army, (8) Charitable grants for the main tenance of garden or "Sarai", (9) Muafis and jagirs sanctioned in lieu of meritorious service, (10) Service inams.

(ii) Petty assignment of land revenue conferred on village officials like "Batwals".

5. *Basic principles for the resumption of muafis and jagirs.*—Notwithstanding anything contained in any Pattta or Sanad of grant or the terms and conditions of a grant made before the Act came into force, the State Government shall have the power to cancel such grant/grants in the light of the following guiding principles:—

(a) In the case of grants for service, the primary test is whether the grantee is and will be in fact any longer rendering any service to the public or the State (as distinct from service to the ruler).

(b) In respect of charitable grants, the criteria is whether the grant is, and will be still in public interest.

(c) Grants purporting to be in perpetuity are to be considered in the light, firstly, of the fact that, as is well known perpetuity had little of its true meaning in practice during the previous regime notwithstanding what sanads or other papers said, the tenure of every so-called perpetual grant being tacitly subject to renewal at the will of every new ruler and secondly, on the consideration that modern trends are not much in favour of perpetual grants of public revenue.

(d) In deserving cases some leniency may be shown as a matter of grace.

(e) All such muafis and jagirs which are not in public interest and conditions whereof have become redundant in the changed circumstances of to-day may be resumed forthwith.

- (f) In most deserving cases, the jagirs/muafis may be allowed till life times of the present assignees, but it should be in very rare cases and the Deputy Commissioners should send their recommendations in this behalf.
- (g) Muafis and jagirs assigned in favour of dieties and temples should be allowed to continue on the following terms:—
- (i) the existence of the temple in good condition and its proper management;
 - (ii) the existence of adequate number of the followers of the God and Goddess;
 - (iii) the servants of the God or Goddess should bear good moral character and should be loyal to the Government;
 - (iv) the muafi lands should not be alienated without prior approval of the Government;
 - (v) the servants of God or Goddess would be trustees of the property of the temples.
- (h) Jagirs granted by the ex-Rulers to their family members may be allowed to continue till life time of the present assignees. Muafis granted to those persons who volunteered their services for the Indian Army at the time of national crisis e.g. during external aggression or internal commotion should be allowed to continue till life time of the present assignees. Muafis will be resumed if—
- (1) the muafidar is declared deserter from the Arm, or
 - (2) the muafidar is punished by Court martial, civil courts for anti-national activities.
- (i) Muafis granted for the maintenance of garden or 'Sarai' and for good conduct, loyalty and obedience of the muafidar may be allowed to continue as the same are for common good of the people.
- (j) Muafis granted as inam lands may be allowed to continue on the conditions that the inamdar should bear good moral character and be loyal to the Government. The inamdar cannot alienate the inam without prior approval of the Government. Resumption or further continuance of the assign-

ments will be reviewed by the Government after the death of the present Inamdar.

6. *Duties of Collector in connection with assignments.*—The main duties of Collector of the district in connection with revenue free grants are as under:—

- (1) as regards term-expired grants to see that lapses are enforced without delay, or a recommendation made for a reconsideration of the original order should resumption appear undesirable;
- (2) as regards other assignments:—
 - (a) on the death of the existing holder to enquire promptly about the succession,
 - (b) to satisfy himself that the conditions of the grant are substantially fulfilled by the assignee;
- (3) the proceedings preliminary to orders creating or resuming assignments of land revenue, or continuing them to successors or transferees, should in all cases be submitted after the usual recital of the substance with the recommendation of the Collector along with the recommendation of the Commissioner if any to the Financial Commissioner for orders of the State Government.

7. *Procedure.*—On the death of muafidar or on the lapse of terms of a muafi, it is the duty of the Patwari of the area in which the muafidar has died or term of muafi expired to report the facts to his immediate superior, i.e., Tehsildar who will make necessary enquiries in the matter and submit his report to the Collector of the district. The Collector of the district after examination of the case shall refer the matter to the State Government with his recommendations for cancellation or for continuance of the muafi/jagir in question. The State Government will pass necessary orders with regard to resumption or continuance of the muafi. The entries as to cancellation of remissions or assignment of land revenue will be affected in accordance with the procedure laid down in para 7.28 of the Himachal Pradesh Land Records Manual.

By order,
M. C. SHARMA,
Chief Secretary.
